

# NORNDiP 2025

**18-19**  
November  
2025

7th Annual Conference of the  
Nordic Network for Diversity in Physics

## Theme: Diverse Trajectories

**Challenging the Norms in  
Physics Research and Culture**

NORNDiP connects researchers, educators, and students to explore cutting-edge physics while creating a vibrant and inclusive Nordic physics community.

Everyone is welcome, and we especially encourage young scientists to join us!

This year's conference is financed by Chalmers' Genie – Gender Initiative for Excellence
